- | | |
|----|--|
| 1. | It is the responsibility of each individual skipper to comply with all safety instructions and requirements and all boating regulations and bylaws. You may be in a "parade" but all normal boating and safety rules still apply and skippers are responsible for their boat and for all people on their boat. (see link to boating bylaws on our website) |
| 2. | All participants take part at their own risk and are responsible for their own safety and must comply with all briefing instructions and boating regulations and bylaws. |

If you are planning on coming for the weekend you may wish to stay for the drift down the channel on the Sunday. This travels from Lake Rotorua through the winding channel to Lake Rotoiti. Bring kayaks, dinghies, rubber rings etc and enjoy a lovely and tranquil drift through the trees. We end up having a picnic at the end.
